HISTORY OF THE CLASS OF '48

Twelve years ago in 1936 the majority of the students in the 102nd graduating class of Mansfield High school stepped on the first rung of the educational ladder. The group was divided into ten sections with their headquarters at Bowman, Brinkerhoff, Bushnell, Carpenter, Hedges, Prospect, Newman, West Fifth, Western, and Woodland schools.

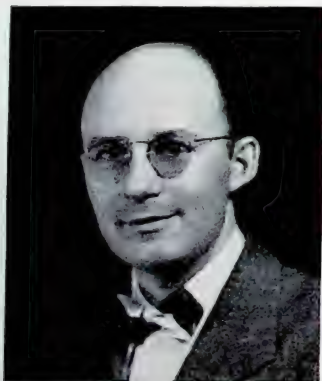

After six years of basic training they merged into two large forces at John Simpson and Johnny Appleseed Junior High Schools. At Appleseed, Shelly Swank, Nancy Osbun, Rodney Blahnik, and Dick Haas took the lead and Dick Zeigler, Nick Gagich, George Karnavas, and Marilyn Hughes directed the activities at Simpson.

The schools were rivals in athletics, Gloria Morton and Cathrine Wilging, the first junior high football queens, reigned at the annual game from which Appleseed emerged victorious. Later Simpson made a come-back by winning the annual basketball game.

Mr. Juniper
Senior Class Advisor

His aim in class advising is dedicated to democracy. He wants each member of the 1948 senior class to make the greatest contribution within his power toward democracy, and be able to respond to the challenge which life puts up to him. His aim is to prepare each person to learn, to live, and work cooperatively with all other people in the community in which he lives.

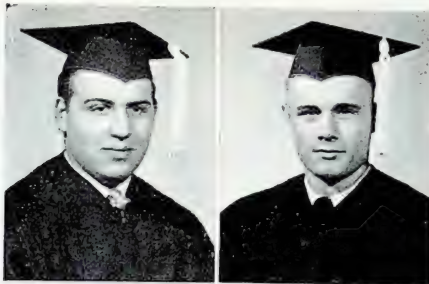

Mr. Juniper has several hobbies. He writes music, has a private flying license, writes poetry occasionally and belongs to the "master-singers". His main hobby, he says, are the boys and girls in his classes.

In the tenth year the two groups united at Mansfield Senior High where they were known as the class that dared to be different.

David Ganyard, Robert Troll, Nancy Osbun, and Norman Henry were elected by the 475 students to guide the class affairs for the sophomore and junior years. Mr. Ralph Juniper was the advisor.

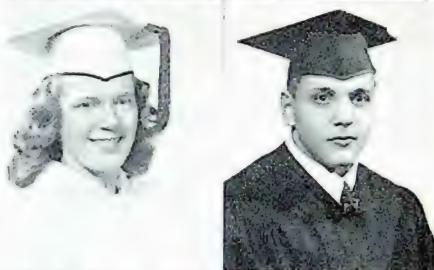

At an election copied from the pattern of a political nominating convention, the seniors chose Norman Henry, Pete Vogt, Jo Freeland, and Arthur Merschdorf as their officers. They were assisted by the members of the executive committee: Lessie James, Ruth Ann Bush, Jane Ann Stoneburner, Betty Long, Nancy Osbun, John Park, Danny Bishop, Robert Troll, and David Ganyard.

Among the outstanding accomplishments of the class were: the Christmas sing, the square dances, the Easter sunrise service, and an all-night prom. Finally, with twelve years behind them as proof of their accomplishments, 379 students received their diplomas at commencement exercises on June 2nd.

THE MANHIGAN

The editorial and the business staff of the Manhigan work throughout the year to produce the year book.

This year's seniors picked the theme and the cover at the end of last year, so when this year started, the staff was able to go ahead and start planning the different sections.

A commercial photographer was employed to take the underclassmen's pictures at school, and the senior pictures at his studio.

After the pictures were taken and the write-ups were in, a dummy copy of the book was made. When it was finally finished, the printer received the typewritten drafts and engravings. The pages were then sent to the binder after the printer had finished.

The rest of the time for the staff is spent waiting for the books to come, and the juniors begin their work on next year's Manhigan.

THE HYPHONERIAN

Every two weeks the words "let's go to press" may be heard echoing from the Hypo room 114 as the staff prepares to send another issue to the printers.

The Hypo staff is always busy . . . searching for newsy items, planning attractive layouts, sniffing for all the latest scandals, and trying to fulfill their duty of being the "voice of the school."

The busy schedule of production goes something like this:

Friday, two weeks before the date of publication, page editors meet and plan dummies of their respective pages.

Over the weekend articles are assigned and checked by the editor.

On the following Monday assignments are posted with a five day deadline.

Assignments are collected on Friday and delivered to the printers to be set in type.

Monday proofs are collected, corrections made, and final dummies set up. By Wednesday the staff is ready to go into the final lap of publication. Five members are excused from classes for a day to set up the pages at the printers. Corrections are inserted, heads made, and articles arranged in their proper order on the pages.

Finally two weeks after work was begun, the business staff collects the finished product and delivers it to the student body. But at the same time work is beginning on a new and better issue.

Staff problems are discussed every Tuesday at 3:00 in 114. Criticisms of past issues are given at this time.

In the line there were eight girls who were as follows: Evelo Cates (Sr.), Betty Bauman (Jr.), Cathleen Falls (Jr.), Shirley Lay (Soph.), Joan Hallabrin (Soph.), Carollee Hunter (Soph.), and Colleen Koppert (Soph.). These girls started their practice in August when they drilled on twirls and routines. During football season the girls practiced with the band every morning but during basketball season they met twice a week to think up new routines for the coming year.

The girls also took part in the parades and ushered for the spring concert.

THE BAND

"Bob"

The band adds much to the enthusiasm of the student body, especially at football games, where it plays loyalty songs and other lively selections to pep up the spectators. During the half, the members' skill is displayed by their excellent marching and performing on the field. They were led this year by Bob Them, the drum major, who was one of the most capable leaders the school has ever had. The band also entertains at the basketball games, during the intermissions, and plays at many city functions, such as parades and special outdoor occasions.

CRESCENDO CLUB

CONCERT CHOIR

This year, as always, because of the untiring efforts of their famous director, Mr. A Lemoine Derr, the Concert Choir has been one of the most outstanding organizations in school. They have worked hard to present a carnival, their annual choir concert, a spring program and a concert for their yearly trip. Several soloists and the girls' ensemble from the choir won first class rating in the State Music Contest. The choir has been under the capable leadership of Harry Osbun, Pres.; Nancy Osbun, Secy.; Dick Neal and Peggy Cole, Librarians and Robe Chairmen; and Marge Selby, Student Director.

GIRLS' ENSEMBLE

CAROLERS

MIXED ENSEMBLE

GIRLS' ENSEMBLE

The Girls' Ensemble, coached by Sally Todd, has worked hard this year and has perfected a first class organization. They proved this quite assuredly by winning top rating in the District and State Music Contests. Besides this they have sung at various musical productions presented by Mr. Derr's Concert Choir.

CAROLERS

A really active organization heard at Christmas time was the Carolers. Led by Jack Dickson they appeared and sang at the M. O'Neil Co., P. T. A.'s, and many private parties. They also led the singing in the First Annual Christmas Sing, presented by the Senior Class.

MIXED ENSEMBLE

The Mixed Ensemble sang at several Choir functions this year. They were especially active in the fall of 1947 and did a fine job.

"And Came

This is an exciting farce about the activities of a group of teen-agers during Spring vacation from school. It is a lively comedy by Marrijane and Joseph Hayes.

The cast was highly competent and deserved the great ovation which was given them. They did nice work in the manner in which they portrayed the various characters.

The action takes place in the living-room of the Hartman home on Monday morning of the week of school vacation. Midge Hartman, the younger sister, meaning well enough, gets her whole family and their friends in one dilemma after

another. She thinks she is in love with Buzz, her sister, Virginia's beau. With her great imagination and impulsive ideas she is always "fixing" the affairs of all the others. She bawls everything up, getting everyone in trouble. This becomes very funny. However, she accomplishes some good with her swiftly paced actions, and it has happy ending.

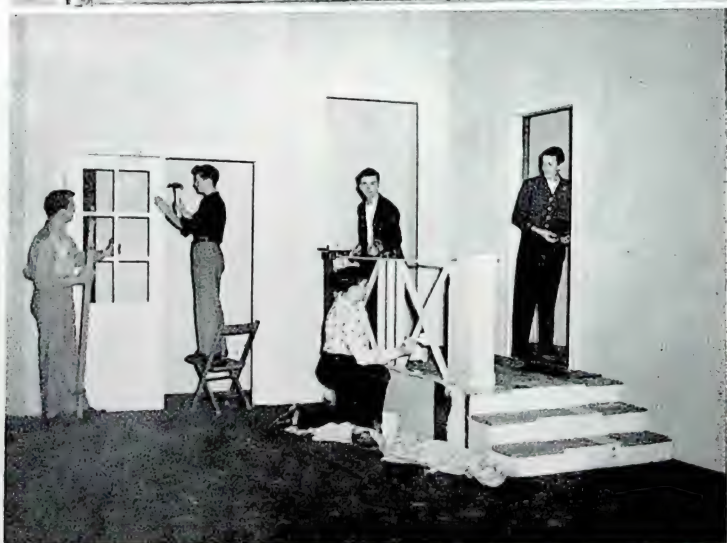

STAGE CREW

The stage crew is a group of boys under the direction of Mr. Earl Heasley, who build elaborate and decorative stage settings which aid in setting an atmosphere in the various school plays throughout the year. Many of our stage settings and assemblies would not be made possible if it were not for the able handling of mechanics by this crew and their leader.

FUTURE RETAILERS OF MANSFIELD

The membership of this association is composed of students of the Distributive Education Class. These students spend their mornings in the class room where they learn the principles of salesmanship, store operation, and speech for business from their instructors. In the afternoon they put these ideas into practice at their jobs. The class promotes Distributive Education in Mansfield as well as social activities for its members. At the end of the year an Employer-Employee Banquet sponsored by the club is given. Other guests representing business and the schools are invited to this party.

Distributive Education promotes adult classes in the city as well as in the schools. "The Retail Sales Institute" of this year enrolled over 800 members. The F.R.O. acted as ushers and ticket handlers for this institute. They are always ready and willing to promote activities for the benefit of the school and community.

Alexander and Duffy show what the best dressed men should buy.

Here is a really modern department that can't beat in any of the stores in greater Mansfield. You'll find it in the Distributive Education Department in room 102.

The best clerks in town came from the Distributive Education Classes. No other class can make that statement.

BOY'S STATE

Boy's State is sponsored by the American Legion. They send junior boys from all over the state to a different college each year to conduct campaigns and elect their own officials. In this way they learn the fundamentals of Country, State, and City government.

S. O. P. C.

The Society of Prospective Collegians under the leadership of Mrs. Emma Gilbert plan their careers and try to decide upon the college they wish to attend. The dues which are collected are used to secure various speakers who come and talk to the students about their future education.

PORTS

FOOTBALL

With mainly a sophomore and junior laden first eleven, M. H. S. surprised everyone during the "47" season. Through permanent injuries to John McCarrick and Leroy Douville and temporary absences of Weaver and Osburn the Bengals couldn't quite make the win column all the time, but never lost their undying spirit. After crushing two big and rough teams from Ft. Wayne, Indiana and Cleveland East, the Tygers were rated No. 1 in the state. This in itself explains why the boys created such a stir. The Tygers of the past season deserve nothing but praise for their valiant efforts exerted for the red and white.

Considered by many as the main reason for the successful season was the combination of our amiable new coach 'Augie' Morningstar and Paul Synder, the veteran mentor and one who is considered one of the best in Ohio. These two, along with Fred Staub, Harry Mehock and Vern Hoffman, compose an incomparable coaching staff which taught our boys to play the brand of football of which we are all so proud.

Tygers Obliterate Ft. Wayne, 37-13

On the opening kickoff, Tucker, having received the ball from Joe Miller on a reverse, skirted 82 yards for the first T.D. This completely baffled the Indiana boys, reputed to be far superior to the young Tygers. Then Ft. Wayne fumbled and Jenkins tallied No. 2. Except for the times when the Hoosiers made their 13 points, the going was exceptionally smooth. Mostly scoring in the final quarter - Letizia, Osburn and Jenkins made it 37.

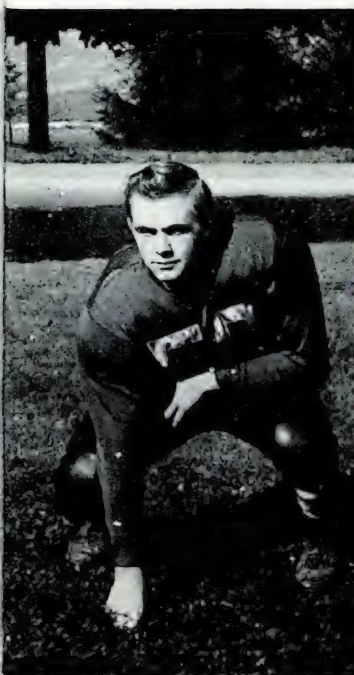

Bengals Crush Cleveland East 28-6

Although the score at the half was 6-0 with Cleveland on top, the Tyger terrors had a better record in the way of statistics. We got our points in the last half though, probably after 'Augie' gave the boys the necessary pep talk. A 57 yard TD run by Gregorio and tallies by Tucker, Miller and Letizia finished the game for Cleveland. Incidentally 'Augie's' boys had 336 yards in rushing to 71 for East.

Mansfield Slams Sandusky, 21-6

Beating a 24 year jinx in a convincing manner, the Tygers roared over Sandusky with Tommy Tucker making an 85 yard T.D. on the kickoff of the second half. This was the first time a Bengal horde had beaten Sandusky at their home field in 24 years. In the first half the Blue Streaks were held to one first down and a minus 13 yards.

Mansfield Eradicates Portsmouth, 23-7

"The" big game of the season! All take notice! Entering the game were two undefeated and untied teams, two of Ohio's best. Emerging was a victorious Mansfield, touted in sports' circles as Ohio's number one. After a third quarter 7-7 tie the Tygers took hold to score two touchdowns and a safety in the last period. Osbun scored twice and Gregorio once.

Springfield Stops Mansfield, 32-6

Surprising a startled Mansfield aggregation, Springfield stopped the Tyger's winning streak with a convincing 32-6 victory. The Bengals resisted in a stubborn manner, but the big Wildcats were just too much for them. Tommy Tucker made the lone TD in the final moments of play from the twelve yard line.

Tigers Claw Tygers, 27-9

Massillon, with the advantage of weight and experience, again turned the tables on the red and white.

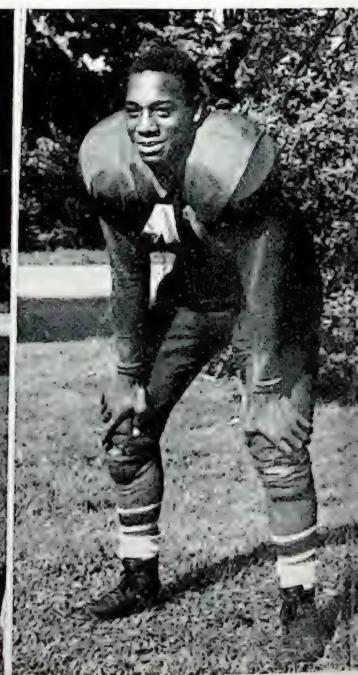

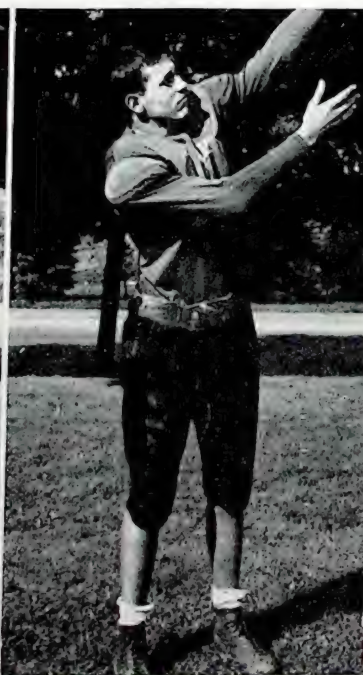

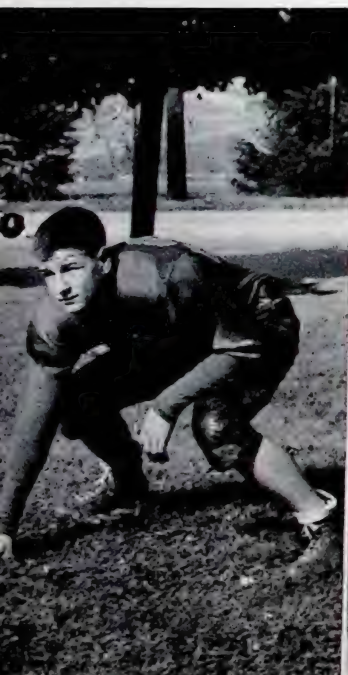

When it comes to revealing outstanding performers, Tucker and the Miller-Demyan combination lightened the Mansfield outlook. Tommy T. displayed the best defensive show as he threw his 125 pounds into some magnificent tackles. Miller to Demyan passes produced the best gains for the Bengal throughout the battle.

M. H. S. Overpowers Youngstown 32-7

At the relatively new position of guard, Howie Tipper blocked the way for Johnny Bricker's sensational running. This proved to be a surprise powerhouse for the Tygers.

From the time the Tygers first trotted on to Arlin field until they joyfully exited, it was their ball game.

As has been true always, Dick Logan's superb blocking and head work was outstanding.

Hamilton Spills Mansfield, 19-7

Capitalizing on two bad breaks in the first quarter, Hamilton's Big Blue were enabled to spill a superior Tyger team. Coming back strong in the second half, the game was all Mansfield. Logan and "Wimpy" Miller led the Tygers hard charging line by breaking up many Hamilton plays. Tucker scored the lone Mansfield TD in the final stanza on a brilliant 30 yard run.

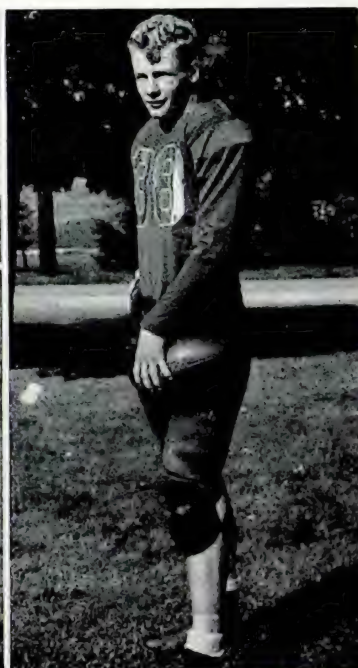

Martins Ferry Defeats Tygers 12-0

The Purple Riders gained a sweet bit of revenge against the Mansfield grid-men since the season before the Tygers truly whipped the Ohio River boys on their own grounds. The Tygers didn't look particularly weak for their last game but just didn't get the breaks and made a few costly mistakes. Statistics proved the tussle wasn't lopsided, and Logan averaged 41.6 yards on punts to 35.1 yards for Ferry.

M. H. S. ALL-AMERICAN

Dick Logan, the 6-2, 205 pound tackle from the class of '48', is the first Tyger gridder ever to achieve the honor of placement on an All American first team.

As a matter of fact, very few Ohio school boys have ever had the honor. Ohio placed three this year. Dick Arledge of Chillicothe made the first eleven along with Logan, and Martin Kiousie of Cleveland Cathedral Latin was a second team selection.

According to many sports writers, Logan was the Buckeye state's No. 1 lineman of '47'. Dick was the only lineman placed on the first eleven by all three wire service writers of the A. P., U. P. and I. N. S.

Dick's looking forward to the East-West game which will be staged next August.

Without question co-captain Nick Gagich was this year's outstanding basketballer. Besides being on the All-Ohio Five he broke two records for M. H. S. His total number of points was 429. This for surpassed Bobby Baker's 353 points in 1944. He also established the single game scoring record by scorching the nets with 34 points.

THE RESERVES

Row One: Jim Rubino, Jack Wise, Phil Bolin, Chuck Marchant, Jim Anderson.

Tow Two: Howie Tipper, Jack Bargahaiser, Ace Jenkins, Willy Fowler, Don Cline, Johnny Szadanoff.

Coach Staub's boys had a great record this year, which is a good indication for the teams in the near future. They won 15 and lost 3 games.

Mr. Staub has had a very busy year. His job as faculty manager entails the scheduling of all games, hiring of officials, arranging accommodations for visiting teams. Added to this responsible position he is on the football coaching staff and is the tennis coach.

CHEERLEADERS

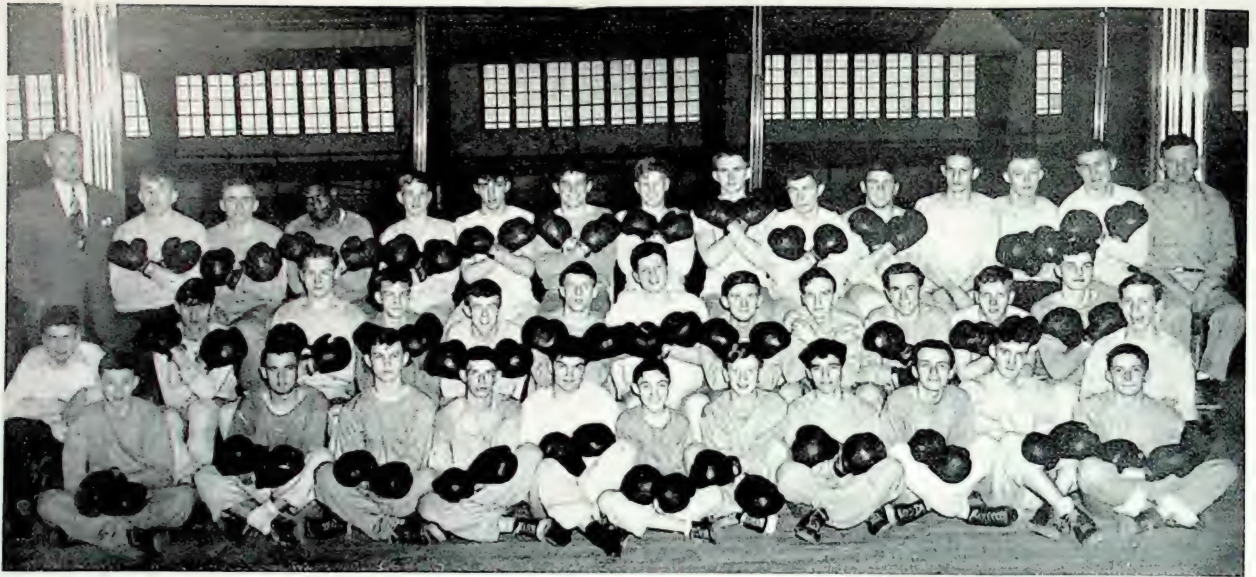

This year's cheerleaders were one of the most active groups ever produced by M.H.S. The student cheering section in the new stadium was one of the largest ever seen here. The cheerleaders were responsible for this. We're indeed proud of Jack Dickson, head cheerleader, Bev Shipley, Marilyn Massa, Dorothy Zivkoff, Oleta Novotny, and Roy Waxler.

STANDING: B. Shipley, M. Massa, O. Novotny, D. Zivkoff.

BOXING

The boxing tournament provided many thrills for the crowds which filled the gym on March 22nd and 23rd. Eleven boys emerged victorious from the 44 who started. These were Earl Brobst, Wayne Bradrick, Floyd Hock, John Wakeley, Larry Inscore, Wayne Maskey, Harry McCune, Hugh Meilinger, LeRoy Douville, Don Esbenshade, and Bill Eccles.

INTRAMURALS

This year's intramural program was one of the most thorough and successful ever staged at M. H. S. Many boys participated in the sports offered. These were football, basketball, bowling, boxing. The only sports ending their seasons before publication were football and boxing. Football champs were the Dodgers.

TRACK

Two indoor meets with Ashland have been the extent of the track schedule so far. Ashland eked out the first one 53 to 38, but the Tygers came back in the second to overpower the A's 65 to 32. Due to the comparatively early publication this year, the book was sent to the printers before the regular outdoor season began.

GIRLS' ATHLETIC ASSOCIATION

G.A.A. is an organization open to any girl who is especially interested in sports. To join, a girl must earn 100 points; and to stay in, she must earn 100 points each semester. These points can be earned by participating in many different team sports, by joining clubs sponsored by G.A.A., or by some sports outside of school such as ice skating, roller skating, sledding, and hiking. Awards for 400, 1000, 1500 and 2000 points are given to the girls attaining them.

The main events of the year are the banquet in the winter, and the picnic in the spring. At these events the new members are initiated into the club. Awards are given at these events. The officers of the coming year are revealed at the annual picnic.

GIRLS LEADERS' CLUB

Girls Leaders is a group of not more than forty-five girls who are interested in becoming better leaders in girl's sports.

To belong a girl must meet the following requirements: (1) she must be a member of G.A.A., (2) she must have an A average in physical education and not lower than C in all other subjects and (3) she must work as an apprentice to another leader for six weeks. After meeting these requirements, she must then be voted into the club by its members. She becomes a full pledged member after her initiation.

Leaders Club meets twice a month under the direction of Miss Boals.

This year the club sponsored a Halloween dance, sold pennants and bought new white uniforms.

OUR ADVISORS—

Miss Louise Ferris, Miss Marjorie Boals.

OFFICERS—Mary Ann Russell, Vice Pres.; Lessie James, Treasurer; Beverly Shipley, Secretary; Marilyn Beattie, President.

These three girls are ready for the rebound in basketball.

TEAM SPORTS

W—A—Y Back!!!

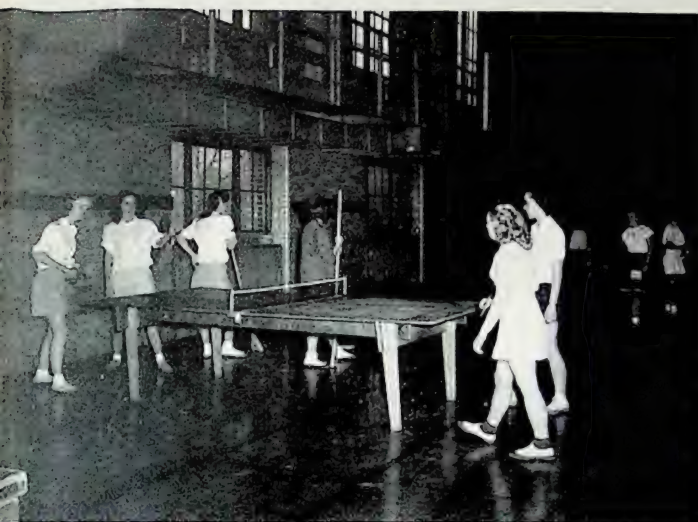

IN ACTION

Kick-off starts the soccer game.

Hit it over, Stanton!

Oops, looks like it's going out.

One-Two-Three, all in.

TEAM SPORTS

Team sports hold much attraction for girls interested in athletics. Under the supervision of Miss Boals and Miss Ferris four different sports are played during the course of the school year. Included in these are: Soccer, Volleyball, Basketball and Softball.

In starting off the year the girls play soccer after school on the athletic field. When the weather becomes too cold and wet, the games are carried on in the gymnasium. Here the sports, volleyball and basketball are played. In order to play these two games the girls must come early in the morning. In spite of this drawback the girls drag in with eyes half open and soon enter into the game with real spirit. Basketball is the last game played inside, and then the girls move outside again on the field. While in the spring a young man's fancy turns to woe, a young girl's fancy turns to that of softball, for after school the girls can be seen out on the practice field surveying the bats and throwing the balls with much vim and vigor.

Besides providing fun, these team sports really have a great value in teaching the girls to play on a team, with a team and for a team. Also in participation in these sports many points are accumulated for G.A.A.

SOFTBALL CLUB

CLUB

TUMBLING CLUB

CLUB SPORTS

Almost every day after school there are varied sports activities carried on by sport minded girls. These activities are either in the gymnasium or at the Y. M. C. A.

There is hardly any sport in which a girl can participate that is not offered by the Physical Education Department at M. H. S. Besides the team sports, there are clubs formed by girls who are interested in one special sport. These various clubs meet on different days of the week.

ARCHERY CLUB

DUCKLINGS

SWAN CLUB

SPORTS

Clubs that are included in these sports are: Archery, Tumbling, Swan, Duckling, Rifle and Softball. Each club has its own officers, and the meetings are held on a particular afternoon.

One of the most publicized clubs is that of Tumbling. Each year the girls put on an exhibition of their abilities in this sport. This is usually done between the halves of a basketball game.

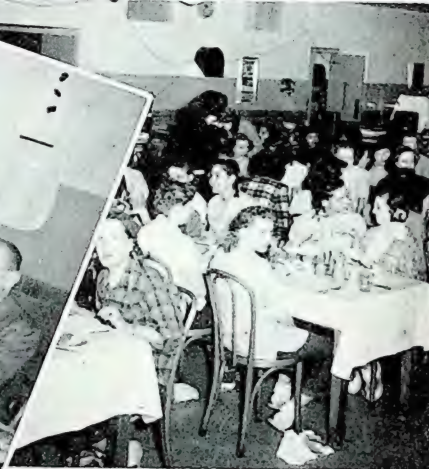

Girls in G.A.A. who enter into the clubs are able to earn points. These points are given on the basis of a certain amount of points for each meeting the girl attends.

RIFLE CLUB

RIFLE CLUB IN ACTION

EVENT OF THE YEAR

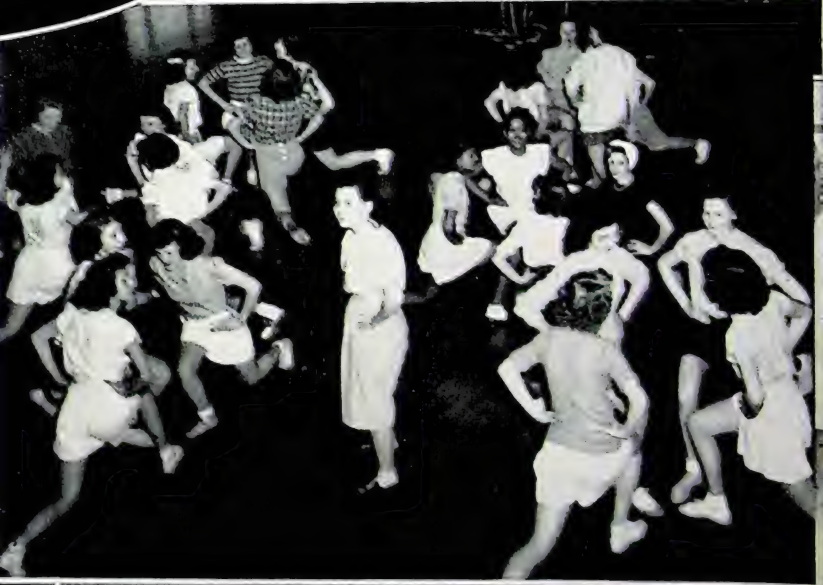

Every year right after Christmas vacation there is great anxiety among the girls of G.A.A. for the annual banquet is not far away. At the banquet the new members are initiated and awards are given to girls earning points.

Dinner is served in the cafeteria where the tables are attractively decorated. Also at this event are guests, teachers of the school. During the time spent in the cafeteria, entertainment is provided, and at this time the awards are presented. The spirit is always gay because of much laughter and singing.

To complete the affair the initiation of new members takes place. This is always exciting to the onlookers, but to the initiates it is always misery.

Ask almost any G.A.A. girl what the big event of the year is, for this organization; and she will no doubt say the banquet, of course.

It's Fun to Cook . . . With A Westinghouse Range

When a group of the girls studying "Home Ec" at Senior High made a personal visit to the Westinghouse Home Economics Institute, they saw how much fun it is to cook with a wonderful Westinghouse Electric Range. And how easy . . . how clean, no smoke or fumes or blackened pots and pans . . . how automatic.

Here you see Camille Beauchamp, assistant director of the Institute putting a Westinghouse Electric Range

through its paces for Marianne Morrow, Billie Bride, and Jackie Bodley.

The girls agreed that everyone can't be lucky enough to make a personal visit to the Institute, but everyone can know the joy of cooking on a Westinghouse Range. And the Range is only one of the twenty-six famous members of the Westinghouse appliance family which give an added lift to modern living.

A GIRL CAN BE PROUD

. . . when she earns her high school diploma

And she should be proud when she takes her place as a wage-earner. "Telephone Girl" is a proud title in business . . . whether it's operator, stenographer or clerk. The telephone girl does interesting, useful work which is important to everybody.

She can take pride in her paycheck which grows steadily, adding six raises the first 18 months. She can be proud of her business home and the friendly girls with whom she works. Thorough training gives her confidence and good performance earns her promotion.

YOU, too, can be pleased and proud with a telephone job.
